COUNTY PROPOSALS

PROPOSITION P – PARKS MILLAGE RENEWAL

To renew the millage authorized in 2020, shall Wayne County levy this millage at the 2023 rollback rate of 0.2442 mills (about \$0.24 per \$1,000 of taxable valuation) for five more years (2026 through 2030) to continue to improve and operate several parks and related facilities, including Hines Park, Elizabeth Park, Wayne County Family Aquatic Center at Chandler Park, and improvements to municipal parks in the 43 communities as provided in an implementing ordinance through an annual allocation by commission district of the greater of \$50,000 or 15% of the total funds generated from that district, on the condition that, for any year for which this continued levy would be imposed, Wayne County must budget from other sources an amount equal to its 1995-1996 fiscal year appropriation for parks? Based upon the total estimated 2026 taxable value of \$59,252,807,563, this renewal is projected to generate \$14,469,536 in 2026.

PROPOSITION A – AUDITOR SELECTION AMENDMENT

Shall the Wayne County Charter Section 3.119 (e) be amended in part to allow the County's independent external auditor, selected by competitive bid, to serve for a term of three years or more?

site improvements, necessary rights-of-way, appurtenances and attachments thereto? The estimated millage to be levied in 2025 is 1.8659 mills (\$1.8659 per \$1,000 of taxable value) and the estimated simple average annual millage rate required to retire the bonds is 1.7287 mills (\$1.7287 per \$1,000 of taxable value).

**LOCAL SCHOOL DISTRICT
GARDEN CITY PUBLIC SCHOOLS REPLACEMENT BUILDING
AND SITE SINKING FUND MILLAGE PROPOSAL**

This proposal will replace and extend the authority last approved by the electors in 2019 and which expires with the 2025 levy for the School District to levy a building and site sinking fund millage. This proposal allows the use of proceeds of the millage for all purposes previously permitted by law as well as newly authorized security improvements, the acquisition or upgrading of technology and the acquisition of student transportation vehicles, trucks and vans. Pursuant to State law, the expenditure of the building and site sinking fund millage proceeds must be audited, and the proceeds cannot be used for teacher, administrator or employee salaries, maintenance or other operating expenses.

As a replacement of existing authority, shall the Garden City Public Schools, County of Wayne, State of Michigan, be authorized to levy 1.8285 mills (\$1.8285 on each \$1,000 of taxable valuation), for a period of five (5) years, being the years 2024 to 2028, inclusive, to create a building and site sinking fund to be used for the construction or repair of school buildings, school security improvements, the acquisition or upgrading of technology, the acquisition of student transportation vehicles, trucks and vans and parts, supplies and equipment used for the maintenance of these vehicles and for any other purposes permitted by law? This millage, if approved and levied would provide estimated revenues to the School District of approximately \$1,224,974.00 during the 2024 calendar year.
