Replacement Operating Millage Proposal

WAYNE RESA PROPOSAL Wayne County Regional Educational Service Agency Renewal of Regional Enhancement Millage Proposal

For the following school districts:

Crestwood School District, School District of the City of Dearborn, Dearborn Heights School District NO. 7, Detroit Public Schools, Garden City Public Schools, Livonia Public School District, Redford Union Schools District No. 1, South Redford School District, Wayne-Westland Community School District, and Westwood Community School District

Pursuant to state law, the revenue raised by the proposed renewal of the enhancement millage will be collected by the Wayne County Regional Educational Service Agency ("Wayne RESA") and distributed on an equal per-pupil basis to local constituent school districts including eligible public school academies within the boundaries of Wayne RESA. None of the enhancement millage revenue will be distributed to Wayne RESA, and all funds shall be independently audited by the local constituent school districts and eligible public school academies as part of their annual school audits. As a renewal of authority which expires with the 2027 levy, shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Wayne County Regional Educational Service Agency, Michigan, be increased by 1.9812 mills (\$1.98 per thousand dollars of taxable value) for a period of six (6) years, 2028 to 2033, inclusive, to provide operating funds to enhance other state and local funding for local school district operating purposes? It is estimated that 1.9812 mills would raise approximately \$108 million when first levied in 2028. The revenue from this enhancement millage will be distributed on an equal per pupil basis to the following listed constituent school districts and the public school academies within the boundaries of Wayne RESA which are eligible to receive enhancement millage under the Revised School Code.
